MANY BUILDINGS TO BE ERECTED THIS FALL

There will be a great deal of building done in Ocala this fall and next winter. Many plans are being made and estimates secured and the steady building boom that Ocala has enjoyed for the past few years will be renewed with greater impetus than ever. Many homes and investment properties will be remodeled and a great deal more property placed on the tax rolls of the city.

VAUDEVILLE AT THE AID DOME NEXT DECK

Ocala's open air theater was filled last night with people, who relished the show all the more for having been deprived of it by the rain the two preceding nights. There was a good list of subjects. The western story was a thriller, and the reformation of the stern parent was a joker. The program for tonight promises well—"Wilbur Wright's Aeroplane" is of particular interest just at this time, and "The Orange Grower's Daughter" should be of interest to a Florida audience at any time. "Playing Patience" is hand-painted and there are two other good subjects.

Mr. Tucker will have vaudeville on next week. He hasn't decided yet just what he will have, but several good things are offered, and he intends to pick out the best.

PRACTICE MAKES NEAR PERFECT

The picked shooters of the Ocala Rifles have been out at Fort King every other afternoon this week, pegging away at the target and showing improvement every day. The score yesterday was as follows:

Knight, 40; Tucker, 34; Leitner, 33; Carlisle 30.

The squad to represent the company will be selected tomorrow afternoon.

RUNAWAY THIS AFTERNOON

A double team from the Silver Tip Livery ran away at 3 o'clock this afternoon and on the north side of the square the buggy turned almost over, the top and seat breaking off and Mr. M. Haughton and the driver were thrown violently to the brick pavement. Both were bruised badly but not seriously injured. Their escape was fortunate. The team ran on and broke the tongue out of the buggy, leaving it in front of the Ocala Furniture company's store.

IN THE BASEBALL WORLD

At Eustis yesterday Ocala won the game in a walk by the score of 7 to 1. Windham, Orlando's expert twirler, worked for Eustis, but to no avail, the Ocala boys having the home team outclassed. Brown and Waller composed the Ocala battery.

On the Gainesville diamond yesterday, Sanford beat the famous Oak Halls with a score of 1 to 0. Another game is being played there today, and it will be watched with much interest.

The manager of the Jacksonville baseball team, Mr. Mullaney, has telegraphed for Mr. L. M. Donaldson, the crack second baseman of the Ocala nine, to go to the metropolis and join the aggregation of diamond stars of that city. Mr. Donaldson's Ocala friends will be sorry to lose him, but are glad to know of his good fortune and are sure he will hold his end up with any team. He came up from Eustis today to make arrangements to go to Jacksonville.

DEMPSEY MAYO, JUNIOR

A fine son was born to Mr. and Mrs. Dempsey Mayo, of Jacksonville, early this morning at the home of Mr. Mayo's mother in the eastern part of the city, where Mr. and Mrs. Mayo have been visiting for several weeks. Mr. and Mrs. Mayo are receiving the hearty congratulations of their many friends in Ocala, where both were reared from infancy.

MAGNOLIA WILL BE PAVED

It has been definitely settled that North Magnolia street will be paved with vitrified brick. Several bids are on file for the work, and the contract will be let at an early date. This will be a great improvement as this much traveled street is in bad shape.
